

Growing a Climate for Tomorrow

I'm _____. I'm honored to tell you about National Ag Day. <pause>

American agriculture is the foundation of our country. It's the backbone of a healthy and prosperous nation, made possible by the hard work of America's farms and farm families who lead the way in preservation and innovation for the health of our planet.

Join the Agriculture Council of America in celebrating the 50th Anniversary of National Agriculture Day on March 21.
