2022 National Ag Day Essay Contest Winners Announced

The Agriculture Council of America (ACA) has announced the 2022 National Ag Day video and written essay winners. The winners were chosen based on the theme: *American Agriculture: Growing a Climate for Tomorrow*. Entrants chose to either write an essay or create a video.

“CHS has long supported rural youth education and leadership programs and we are proud to give this year’s essay contest winners a platform that lets them share their ideas with a broader audience,” says Annette Degnan, CHS Inc., director, Marketing Communications, and Agriculture Council of America board member.

The national written essay winner, Haden Coleman of Trinity, Texas, receives a \$1,000 prize and will read his winning essay at the virtual Ag Day event on March 22, 2022. The contest also named two merit winners who receive \$100 and blog posts featuring their essays. They are Rebekah Vague of Ellsworth, Kansas, and Makenna Stundebek of Salisbury, Missouri. This year’s video essay winner, Kenna Mullins of Oxford, Pennsylvania, wins a \$1,000 prize. The winning entries can be viewed online at <https://www.agday.org/2022-contest-winners>.

The Ag Day Essay Contest is sponsored by CHS Inc., National Association of Farm Broadcasting and Farm Progress.

Founded in 1973, National Ag Day encourages every American to understand how food and fiber products are produced; appreciate the role agriculture plays in providing safe, abundant and affordable products; value the essential role of agriculture in maintaining a strong economy and acknowledge and consider career opportunities in the agriculture, food and fiber industry.
