

# AGRICULTURE: Together We Grow

## SOCIAL MEDIA TOOLKIT

## NATIONAL AGRICULTURE DAY—MARCH 18, 2025

### Share the Story of Agriculture

Celebrate the dedication of America's farmers and the bounty of American agriculture on National Ag Day. Producers, agricultural associations, corporations, universities, government agencies and individuals join each year to recognize the importance of agriculture in our country. Please join us and help spread the word!

**NATIONAL AG DAY—TUESDAY, MARCH 18, 2025**

**#AGDAY25**

America's farmers are committed to providing food, fiber and renewable resources to the growing population. On National Ag Day, March 18, 2025, learn more about how, along with the country's farmers, together we grow. **#AgDay25**

As our world gets bigger, so does the need for more food, fiber and natural resources. With American agriculture, together we grow. Find out more at **agday.org**. **#AgDay25**

Ag Day is a nationwide effort to spread the word about American agriculture. We're so fortunate to have dedicated growers and producers who feed our nation. Celebrate **#AgDay25** on March 18.

Join us on **#AgDay25** to help young people consider career opportunities in the agriculture, food and fiber industries. American ag is essential now and for our future. Save the date for March 18!

How will you celebrate National Ag Day this year? Find some great ideas at **agday.org**! Help spread the word and let's thank America's farmers and ag families. **#AgDay25**

Together we grow! Join me for National Ag Day on March 18, 2025, to raise awareness for American agriculture. Get details at **agday.org**. **#AgDay25**

There are many events associated with Ag Day — not only on the national level but in communities and schools across the country. Get involved at **agday.org**. **#AgDay25**
