I'm _____. I'm honored to tell you about National Ag Day. <pause>

National Ag Day proudly celebrates the wholesome contributions of our country's farms—and farm families—every March.

American agriculture is the foundation of our country. It's the backbone of a healthy and prosperous nation, made possible by the hard work of America's farms and farm families. American agriculture brings everyone to the table.

The Agriculture Council of America and our industry partners invite you to celebrate National Agriculture Day on March 23, 2021.

You can find more ideas for planning your own Ag Day events on the National Ag Day website: agday.org.

I invite you to join us as we recognize and celebrate the contributions of America's farmers, growers and ranchers.
