FOR IMMEDIATE RELEASE

**<<AFFILIATION – 4-H, AFA, FFA or MANRRS>> Student Representative Meets with
<<NAME OF CONGRESSIONAL LEADER>>**

(WASHINGTON, D.C.)—On <<DATE>>, <<STUDENT'S NAME>> from <<NAME OF SCHOOL>> in <<CITY, STATE>> brought agriculture's amazing story to <<NAME OF LEADER>> in honor of National Ag Day.

The Agriculture Council of America (ACA) sponsors 100 student representatives from across the country to participate in virtual National Ag Day activities with Congressional Leaders from the Hill. The students—from 4-H, AFA, FFA and MANRRS—put a face on the future of agriculture and personally emphasize the importance of agriculture in our everyday lives.

Ag Day is celebrated in Washington, D.C., with an Ag Day Proclamation, on March 22, 2022.

This is the 49th anniversary of National Ag Day, which is celebrated in classrooms and communities across the country.

ACA is a nonprofit organization composed of leaders in the agricultural, food and fiber community that encourages Americans to:

- Understand how food and fiber products are produced.
- Appreciate the role agriculture plays in providing safe, abundant and affordable products.
- Value the essential role of agriculture in maintaining a strong economy.
- Acknowledge and consider career opportunities in the agriculture, food and fiber industry.
